

LITERATURE AND STYLISTICS FOR LANGUAGE LEARNERS

Theory and Practice

EDITED BY GREG WATSON
AND SONIA ZYNGIER

This volume presents the state of the art in terms of stylistic research and application, including EFL and ESL language classroom situations. Some of the most prominent scholars from a variety of backgrounds in the field of pedagogical stylistics show how theory, empirical studies and new technology, including corpus analysis, can be integrated into the classroom. This volume is suitable for all those interested in keeping abreast of the most recent developments in literature and language education.
